THAT OLD BAG!

with... **Margaret Gollan**

Two Day Workshop

13th - 14th January 2022

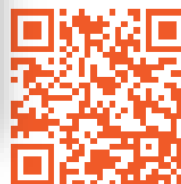

Show off your talents as you go shopping with this colourful tote bag.

Since we can't travel at the moment let's create our own memories from the world.

Inspired by a bag bought in Nepal, That Old Bag! It is a colourful tote bag with Indian style stitching on the base.

The yoke features canvas work to give the bag some rigidity.

The design, colours and even the shape can be altered to individual tastes.
