

Silk Inroads by Natalie Fisher

4 June - 29 June 2022

Silk Inroads is a collaborative community project which explores the visual heritage of countries along the ancient Silk Road trade route including Uzbekistan, Iran, Afghanistan and India.

Throughout June, Gallery76 will host an exhibition plus events including needlepoint workshops where participants learn how to translate ceramic tile designs into unique needlepoint squares. Beginners and experienced stitchers welcome!

The project is led by artist Natalie Fisher (www.artweave.com.au) whose work has been exhibited in galleries, mosques and Persian rug showrooms in Australia and overseas.
