FINISHING TECHNIQUES

Learn how to finish and present your work

...WITH
CAROLYN PEARCE

Two Half-Day
Workshop
2 x Tuesdays
10am - 1pm
June 6 & June 13

This workshop has been developed for those who would like to develop the Finishing Techniques skills required to present a professional neat finish when completing a project.

Specifically you will learn

- construction techniques
- how to block your embroidery and then lace it over cardboard
- mitre and stitch corners
- how to attach linings and bindings
- how to cut cardboard accurately
- how to make twisted cords finished with a tassel to give your piece a tailored individual look
- how to attach a twisted cord to finish an edge

Skill level: All levels

The kit includes notes and construction materials used in the class.
