Continuing Tulle Workshop

with...

Friday
May 1 1

Two Day Workshop 10am - 3 30pm

For those who attended Dianne's Summer School workshop, in this workshop you will create a beautiful picture extending those techniques to create your own piece.

Embroidery on Tulle creates a beautiful, delicate and unique aesthetic. Tulle is distinctive, with a hexagonal structure fashioning a fine, flexible and 'fragile looking' fabric, which generates some exclusive challenges for the embroiderer.

An innovative technique to stitch a beautiful embroidery!

This workshop will suit intermediate to advanced.
