SUMMER SCHOOL 2024 PERSPECTIVES OF PARIS

In this workshop, learn how to create a lacelike design using this decorative technique. Construct a beautiful Sampler using rouleaus joined with various embroidery stitches.

DIANNE MAGRO

24th January & 25th January 2024

2 Days - Workshop

French Rouleau Sampler

In this workshop, learn how to create a lacelike design using this decorative technique. You begin this stunning Sampler with a bias rouleau intertwined. Then the spaces are joined with embroidery stitches. The areas between each section of rouleau are kept regular and the embroidery stitches have a consistent tension which allows the light to pass through highlighting the delicate design.
(these rouleaus are provided in the kit)

Venue: 76 Queen St, Concord West NSW 2138

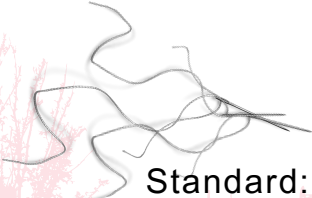

Workshop: 10am to 3:30pm with ½hr lunch break

Workshop Requirements to be advised

Bookings

This workshop will suit all
